

The background of the advertisement is a composite image. It features a central white rectangular area with the company logo. This white area is flanked by two large, triangular sections of dark brown material. The bottom half of the image is dominated by a wide, shallow channel of water with a rippled surface, receding into the distance. The walls of this channel are dark and textured, resembling natural rock formations. In the distance, a lone figure is walking away from the viewer down the center of the channel. The overall mood is serene and emphasizes the natural beauty and durability of the ceramic products.
