TIME

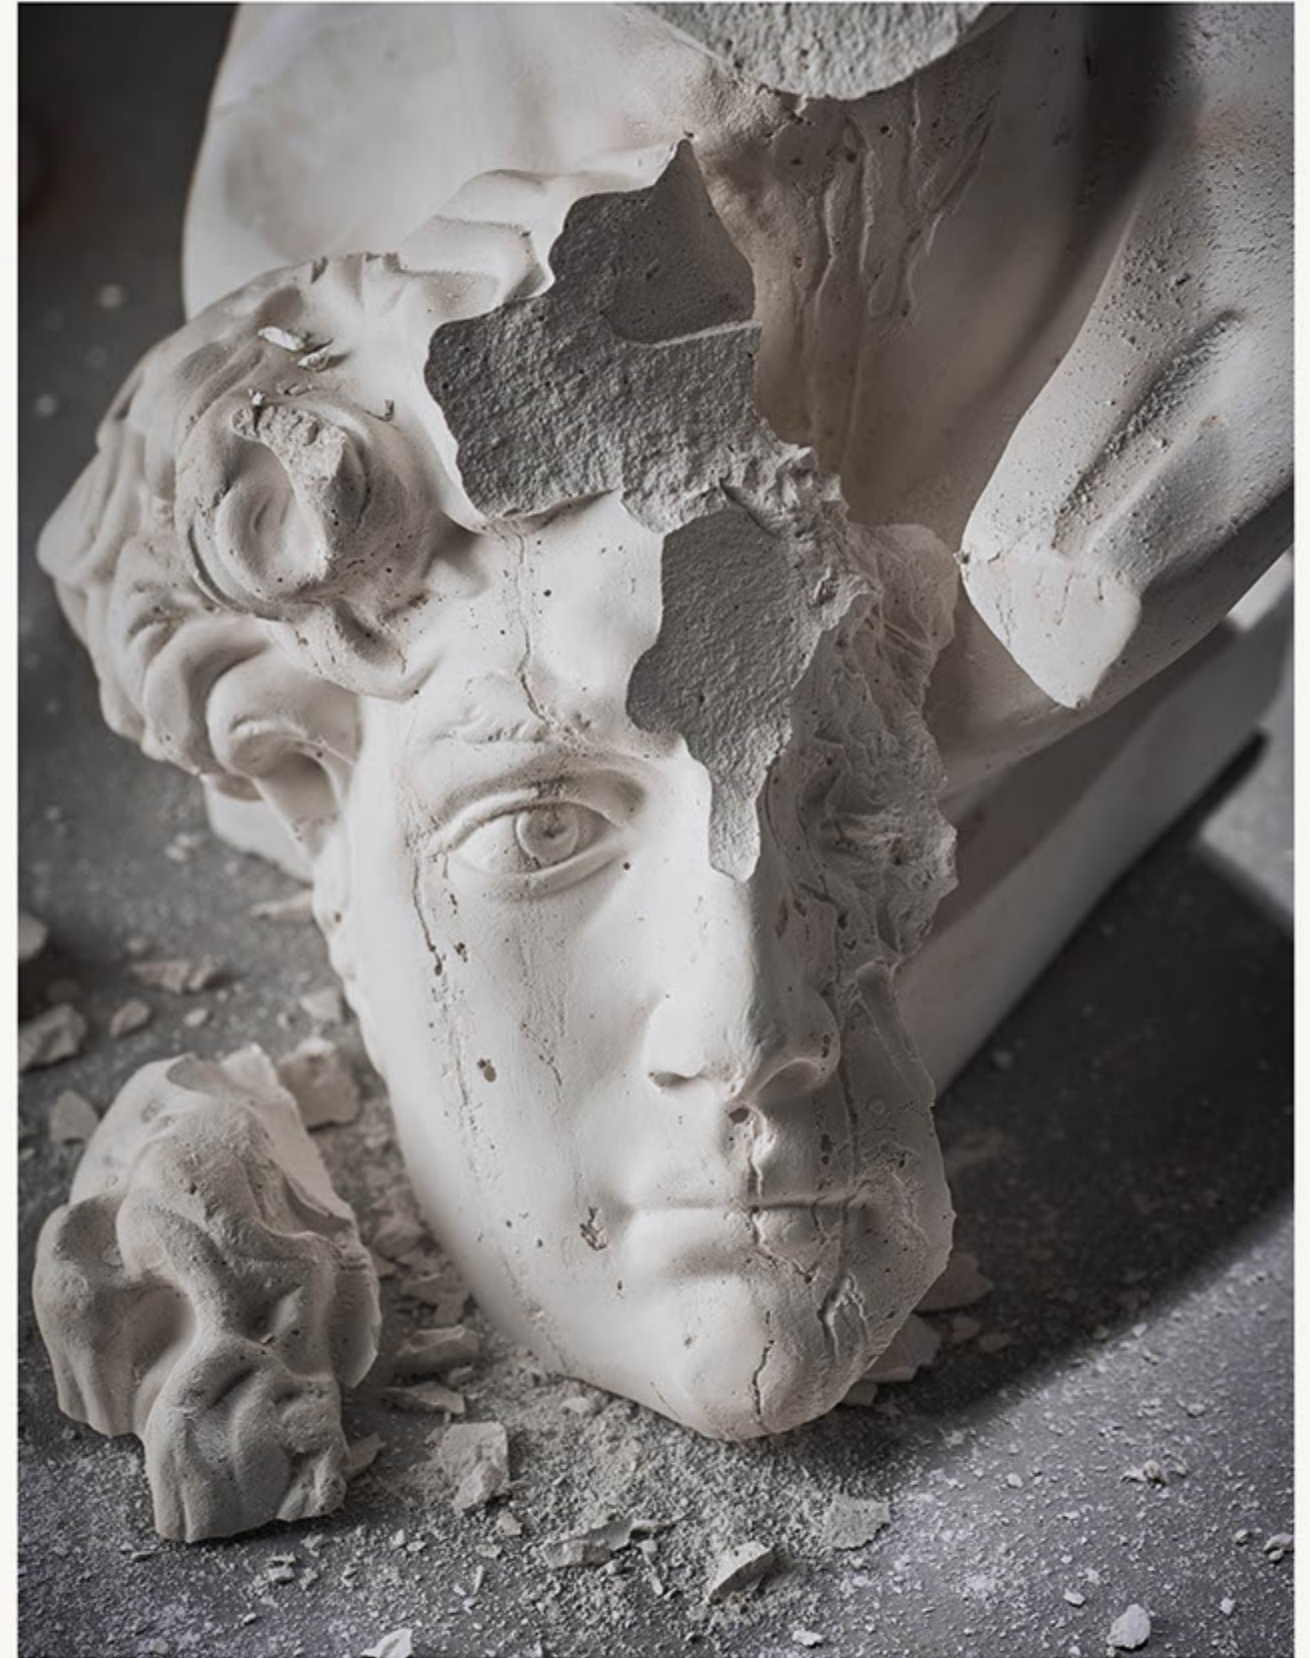

REBUILD

Handwritten signature in black ink, appearing to read 'S. V. G.'

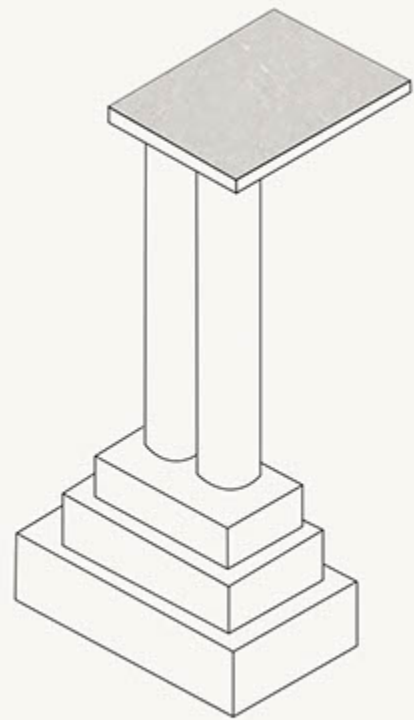

This collection is created, by combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, color, and decoration.

From these three elements new chapter is born, aiming to create a new style that can be exported all over the world. Just like the detailed and creative creations.

A Carved Change

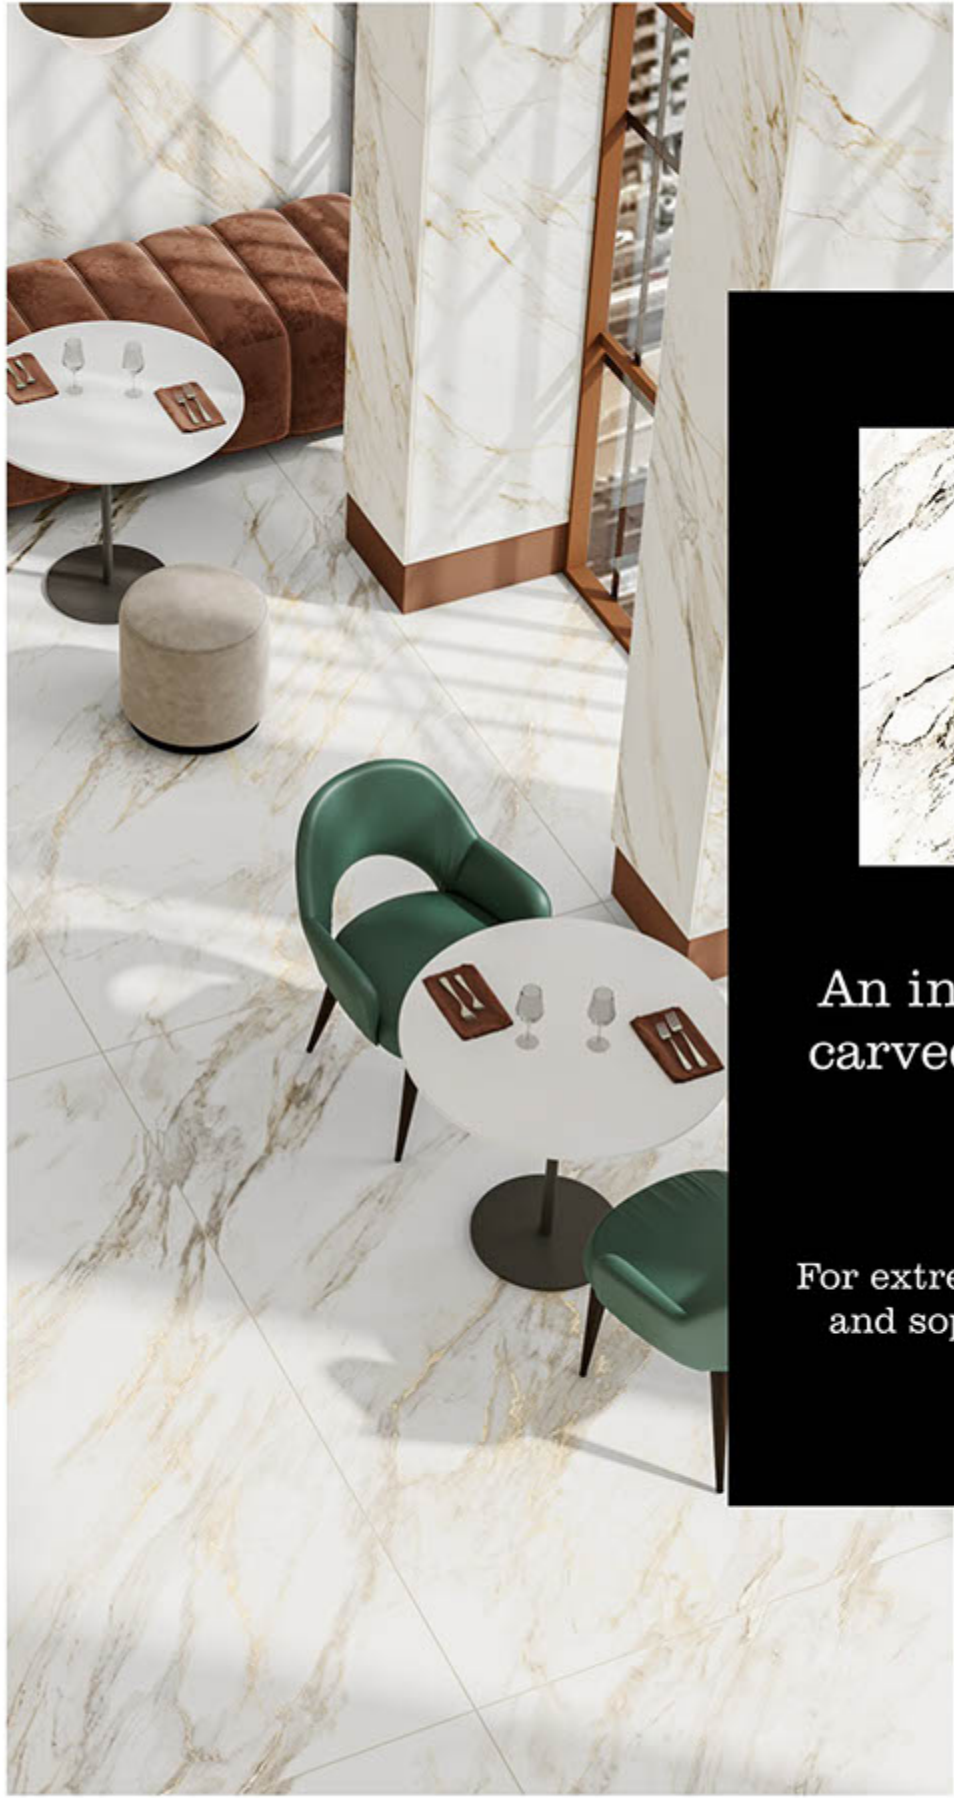

Through our carving series, we've tried to create an impact that not only stays in your space but also in everyone's mind. In spite of being a classical pick, it is curated to make your space look like a natural wonder.
